Resolution Regarding Approval for Signs

Authority: ORS 94.630	Powers of the Association
Bylaws Article XIV	Rules and Regulations
CC&R Section 3.4	Powers of the Association
CC&R Section 3.8	Adopting Rules and Regulations

The Board rescinds the provision specifically prohibiting "For Rent" signs adopted in the 'Written Consent of Directors' dated April 5, 2002.

The Board approves the use of "For Sale", "For Rent", "Open House", and "Garage Sale" signs by owners/residents of The Meadows at Timberhill provided the signs are professionally prepared and of the style and form of standard real estate advertising signs used by large, reputable realtors in the area. Signs are to be installed in the ground and no sign may be hung on building structures. No "hand lettering" is permitted on any sign.
