## Discussion and Decision Items:

1. Discussed reserve study
  - a. Painting cost has about doubled over recent years
  - b. Roofing cost has also gone up significantly over that period
  - c. Future cost prediction is straight forward because we get quotes annually
  - d. Not every painting company is raising prices by as much as the one we're using – Kurt will get quotes when it's time to resume painting
  - e. Discussed possible approaches to solving expected funding shortfalls

- f. Kurt will clarify terminology regarding “Unit” in the Reserve Study categories
2. Discussed budget proposals
  - a. Need to replace roofing due to low quality of material used by original builder
  - b. Reroofing cannot be delayed too much because of possible damage if current roofing fails
  - c. There is a limited number of reliable roofing companies, which limits our cost-reduction efforts
  - d. Discussed possible approaches to solving expected shortfall in Reserves due to cost increases
    - Monthly HOA assessments: After much discussion Board decided that monthly assessment will be raised to \$190 per month starting in 2022
    - This will allow us to proceed with reroofing work
  - e. Decision on roofing: Board approved proceeding with next phase of roofing, to be paid by increased assessments and in part out of reserve funds
    - Kurt determined that going with 20-year warranty vs current 30-year one would reduce cost by ~\$5K, which is not significant compared to total cost
    - Kurt will get quotes for roofing of next four buildings in our reroofing plan
  - g. Decision on building painting: Board decided to postpone this work for at least one year due to lack of funding – Kurt will get quotes when it’s time to resume painting
3. Board is still looking for a Treasurer, a position currently filled by the President
4. WCM mailing address change: Kurt will remind owners to change address of where assessments are to be mailed
5. Annual meeting will be on December 7, 2021, at 5:00 p.m. PST, to be followed immediately after it by a regular Board meeting – meeting will be held via Zoom

Adjournment at 2:35 p.m. PDT

Respectfully submitted, Ike Ghozeil, Secretary
